Kent noted a letter from General Carroll requesting a SNIE on the likelihood of a U-2 shootdown over Cuba. The Director agreed to the preparation of a SNIE and recapped for Kent the intelligence papers on this subject already disseminated to Secretaries Rusk and McNamara.

Carver briefed the Director on a Southeast Asia Coordinator meeting in Saigon on the expansion of activities in the Laotian pan-handle.

Warner passed the Director a page from the Congressional Record containing an insertion by Senator Robert Kennedy on Desmond FitzGerald. He will send Goodwin a copy.

The Director felt that the release by the Joint Committee had been well handled by all concerned and asked the ADD/S&T to inform the DD/S&T of this.

ADD/S&T reported that the CORONA shot scheduled for yesterday has been delayed for perhaps another forty-eight hours.
